## Documents you may receive in the financial planning process

We will provide you with several documents as you progress through your financial planning and advice journey. We may provide these documents electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA). The SoA contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of our advice.

If we provide further personal advice an SoA may not be required. We will keep a record of any personal advice we provide you for seven years. You may request a copy of such records by contacting us during that period.

If we recommend or arrange a financial product for you, we will provide a Product Disclosure Statement (PDS), or Investor Directed Portfolio Services (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks, as well as the costs you will pay the product provider to manage that product. You should read any warnings in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

## Transaction services

In limited circumstances, we can arrange financial product transactions for you on your instruction without providing personal advice.

## Instructing us

You can give us instructions by telephone, mail, email, or other methods, as agreed with your adviser.

## Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate, the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we can determine if our advice is still appropriate.

## Credit services

In addition to financial services, we are also authorised to assist you with advising and implementing loan products and consumer leases.

### Credit documents you may receive

When we provide credit assistance, we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a Credit Proposal. We will retain this document and you may request it by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

### Lenders and lessors

The Licensee has a broad panel of lenders and lessors for your Accredited Mortgage Consultant (AMC) to choose from. The full list of approved lenders is available on request but is not an exhaustive list of lenders who offer credit of the nature you may seek.

As at September 2022, the lenders whose products are most commonly recommended by AMCs authorised by the Licensee are AFG Home Loans, NAB, Macquarie Bank, AMP Bank, Commonwealth Bank, ANZ.

### Benefits we may receive from lenders and lessors

Subject to compliance with relevant laws, including relating to conflicted remuneration, lenders may offer incentives that are paid directly to the AMC. These may include indirect benefits, for example business lunches, tickets to sporting or cultural events, corporate promotional merchandise and other minor benefits.

### Credit reports and valuations

We may be provided access to free services such as credit reports and valuations from our lenders. Details of any relevant services we may receive because of a recommendation we make to you, will be included in the Credit Proposal we provide to you.

### Tiered Servicing Arrangements

Through your AMC's relationships with lenders, they may have access to tiered servicing arrangements. The benefits can include faster processing, better information or greater levels of assistance provided for obtaining loan approval. You will be advised of any tiered service arrangements that are in place with a particular lender that they have proposed at the time recommendations are made.

Access to these programs is not based solely on the volume of new or existing lending your AMC's customers have with each respective lender and does not entitle

them to any additional commissions outside of what they have disclosed to you, any additional payments or preferential customer discounts.

### Mortgage aggregators

Mortgage aggregators act as a gateway or interface between mortgage brokers and lenders by providing an IT platform through which brokers submit loan applications and deal with lenders. They also provide some ancillary services. We aggregate via AFG.

The aggregator may invite AMCs to conferences and professional development events to hear industry updates and educational presentations by the aggregator and lender sponsors. The aggregator may subsidise some attendance costs, subject to compliance with relevant laws. The value will depend upon a range of factors, including the nature of the courses and events planned. Any benefits that we may receive that are related to a loan recommended to you which is regulated by the National Consumer Credit Protection Act 2009 (Cth), will be disclosed in our advice to you prior to application.

## Privacy Collection Statement

We are committed to protecting your privacy and outline below how we maintain the privacy of the information we collect about you.

## Our fees

We will discuss and agree the actual fees with you before we proceed and where relevant the fees and commissions will be disclosed in the advice document provided to you. The following section outlines the types of fees that may apply.

The fees charged for our advice and services may be based on a combination of a set dollar amount, or a percentage-based fee. Our agreed advice and service fees may include charges for one off or regular fees. We may also receive initial or ongoing commissions from certain product providers.

### Licensee fees

All permissible fees and commissions will be paid directly to the Licensee. It will then pass on the amounts due to us through its payment system. The Licensee charges us a Licensee Fee each year. The Licensee Fee is determined as an annual amount based on a number of factors, including our business revenue, the number of advisers and/or accredited mortgage consultants in the practice and a practice fee.

### Other costs

Other costs may apply in the process of providing our advice and services to you. We will agree all additional costs with you prior to incurring them.

The following table outlines the range of fee we charge and should be used as a guide only. We will discuss your individual needs and agree our fees with you. The actual agreed fees will depend on factors such as the complexity of your circumstances and goals and the scope of the advice. All fees and charges include GST.

If we agree to charge a fee for credit services, we will provide you with a quote and gain your acceptance before we proceed. Where we do not provide you a quote, there will be no charge directly to you for these activities and we will receive commissions from the lender only.

### Fixed Service Fees

We offer the following services at these rates:

Fixed Service Fees
Fee for service (administration services) - \$80 + GST / hour
Fee for service (financial adviser) - \$220 + GST / hour
Fee for service (senior financial adviser) - \$350 + GST / hour

## Other benefits we may receive

In addition to the payments explained above we may receive other monetary and non-monetary benefits, support services or recognition from the Licensee to help us grow our business. These are not additional costs to you. They could include training, badging rights, technology and technology support, marketing, financing, events or other recognition we are eligible for. We may receive benefits from product issuers that may include non-monetary benefits that are valued at less than \$300. We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

From time to time, AMP Services Limited (ASL) may facilitate access to the Licensee and us to be trained and educated by product issuers on their products.

### Development, management and advice (DMA) run-off payments

On 31 January 2020 we became eligible to receive DMA run-off payments based on the amount of advice revenue we generated in 2018. Advice revenue includes revenue directly attributable to advice provided to a client for an agreed fee. It excludes commissions from investment, insurance and banking products. These payments are to assist with our cashflow over 3 years until January 2023. Run off payments will not be made after January 2023. In 2022, the total amount of DMA received will be \$2,475.00. Eligibility to receive DMA run off payments is dependent on us continuing to be authorised by and meeting standards set by the Licensee.

### AMPFP: Business buy-back option

Prior to 1 January 2022, we entered into an agreement with the licensee to buy back the register rights of our client base. If we leave the financial services industry or can no longer appropriately service a selection of our clients, the licensee will either look after our clients or appoint you to another adviser or financial planning practice. The valuation will vary depending on certain factors including the annual recurring revenue of our practice and the level of our service standards.

### Personal and professional development

The Licensee provides personal and professional development opportunities such as education and professional development programs, offered annually to qualifying practices.

### Placement fees

From time to time the Licensee may receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by the Licensee. We may share in this fee based on the level of participation by our clients.

### Separately managed accounts (SMA)

A separately managed account (SMA) is an account where a responsible entity, based on advice from a professional investment manager, can make investment decisions on a client's portfolio and transact on those decisions without requiring the client's express consent each time. This means the responsible entity is responsible for the discretionary management of the client's investment portfolio.

We distribute the MyNorth Managed Portfolios, which are administered by North and MyNorth.

We are not the investment manager and have no relationship or association with the investment manager.

The responsible entity appoints a professional investment manager to advise on the SMA portfolio's management. The responsible entity makes all investment decisions relating to the SMA portfolios.

For more information about how the product works and the roles and responsibilities of the key parties, please refer to the MyNorth Managed Portfolios PDS which we provide to you if we recommend the SMA product to you.

### Fees

Other than the fees disclosed under 'Our Fees' above, we do not receive any other remuneration in relation to MyNorth Managed Portfolios.

### Note

If you are no longer our client, the responsible entity may have the discretion to move your investments out of the MyNorth Managed Portfolios.
